03.06.2024

Dear Dr. Tkatschuk,

We are pleased to confirm that the project submitted by the University of Stuttgart within the program "Ukraine Digital: Ensuring Academic Success in Times of Crisis" has been granted funding by the DAAD for the period from January 1st to December 31st, 2024. The goal of the project is to assist Ukrainian partner universities in maintaining their teaching programs and enhancing the digital teaching skills of their faculty.

As part of the "Ukraine Digital" program, the University of Stuttgart will support the preparation and implementation of the online seminar "Introduction to Semantics" by Prof. Jürgen Pafel at the Vasyl Stefanyk Precarpathian National University. This will include a tutorial for students, as well as technical support for the seminar.

If you have any questions or require further assistance, please do not hesitate to contact us.

Yours sincerely,

Elena von Klitzing
